Sir:

Applicant respectfully petitions for the revival of the above-referenced patent application, claiming priority of the German application 100 22 820.8 of the priority of May 10, 2000.

The above-identified application was filed on May 10, 2001. Subsequent to the filing of the above-identified application the law firm of Evenson, McKeown, Edwards & Lenahan, P.L.L.C. merged with Crowell & Moring and moved from 1200 G Street, N.W., Suite 700, Washington, D.C. 20005 to P.O. Box 14300, Washington, D.C. 20044-4300. A Recordation of Assignment Document from the Patent Office dated November 15, 2001 contained the new address. However, an Office Action mailed December 11, 2002 from the Patent Office was sent to the old address and forwarding from the old address had stopped one year from September 2001. A

Notice of Abandonment was mailed on June 30, 2003 to the new address indicating that the application became abandon for failing to respond to the December 11, 2002 Office Action.

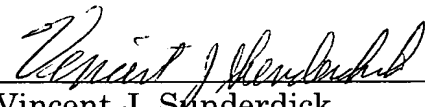

Filed with this Request is a Response to the December 11, 2002 Office Action. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b) was unintentional.

The petition fee of \$1300.00, under 37 C.F.R. § 1.17(m), is submitted herewith.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Deposit Account No. 05-1323 (Docket #056226.49867US).

Respectfully submitted,

September 12, 2003
